

Sigma Tau Gamma Fraternity

W. T. Hembree Campus Leadership Award

The Founders of nearly every chapter of Sigma Tau Gamma were campus leaders first. Many chapters continue the tradition. It is expected, when visiting a chapter of Sigma Tau Gamma to find among its members the president of the student government association, chairman of the student activities board, and even the student representative to the university governing board. This award is named in honor of the Sigma Tau Gamma leader whose more than 50 years record of service is so significant that his name means Sigma Tau Gamma leadership, W. T. (Bill) Hembree.
