

Sigma Tau Gamma Fraternity

Emmett Ellis Chapter Scholarship Award

Dr. Emmett Ellis was a mathematics professor, and perhaps the greatest scholar among the extraordinary scholars that comprised the Founders. He recruited Dr. Wilson C. Morris, professor of physics, to be the Sponsor of the Founders (the first chapter advisor). At the time, Morris was the unequalled intellect among the faculty at their campus. Ellis believed that a true college fraternity man must be an intellectual as well as a social creature. This award recognizes chapters that achieve intellectual excellence.
