Sigma Tau Gamma Fraternity Musial/Hillman Sportsmanship Award

The Stan Musial Sportsmanship Award and Eric Hillman Athletic Scholarship is presented annually to a member of Sigma Tau Gamma Fraternity who has participated in varsity or intercollegiate athletics at his college or university and who most typifies the selfless traits exemplified by Stan Musial and Eric Hillman. Musial, a Pennsylvania native, became an honorary member of Beta Iota Chapter (California University of Pennsylvania) in 1962 at the 20th Grand Chapter in Kent, OH. "Stan the Man" scattered 3,630 base hits during his 22-year career with the St. Louis Cardinals, and had a lifetime batting average of .331. He played in the World Series four times, and represented the Cardinals in 24 All-Star games. Brother Musial was inducted into the Baseball Hall of Fame in 1969. Selection of the winner is based upon a number of criteria, including athletic performance, scholastic achievement, leadership and service to the applicant's college and local community. Brother Musial joined the Chapter Eternal on January 19, 2013.

Brother Hillman joined Alpha Lambda Chapter at Concord College on February 14, 1981. Brother Hillman first served the Fraternity as Vice President of Membership of his own chapter. Since 1998 has been a Trustee of the Sigma Tau Gamma Foundation. He is a Distinguished Morris Fellow of the Wilson C. Morris Fellowship, and has generously funded the Eric Hillman Athletic Scholarship. Brother Hillman founded his own company, Europa Sports Products. With his visionary leadership, hard work and determination, Europa Sports Products has become the nation's largest distributor of sports supplements, with six locations nationwide, over 300 employees and \$160 million in sales. Europa Sports Products has been recognized with several awards, including:

- 2008 Inc. 5000 list of the fastest-growing private companies in America
- 2008 Grant Thornton Top 100 Private Companies in NC
- 2007 & 2008 Charlotte Business Journal's Best Places to Work

Brother Hillman was a Finalist in Ernst & Young's Entrepreneur of the year award for 2009, and is an NPC National Judge and IFBB Pro Judge.
