Dear Brother,

Welcome back. The beginning of a new school year is always exciting. That is particularly so because you reconnect with fraternity brothers.

Do your share to grow your circle of brothers by recruiting new members. All of us need to pitch in and help Sigma Tau Gamma fulfill its potential.

Start the Year on a Path of Principles

Seeking to live out the vision of our Founders, the brothers of Sigma Tau Gamma set a code, expressed in six principles: Value, Learning, Leadership, Excellence, Benefit, and Integrity. It is important that we instill this code in our everyday activities, whether as collegiate members or alumni, through the Path of Principles.

Collegiate Members: Learn about your Fraternity and its rituals, traditions, and the strong brotherhood. The Path of Principles Manual serves as a guide for the associate members as they begin their journey with Sig Tau.

Alumni: Sig Tau isn't just for four years, it's for life. The Path of Principles allows you to stay involved by advancing through the 17 levels or by volunteering.

Advisors: Look through the Path of Principles book to understand what your chapter's members are learning in order to better assist them. The Path of Principles website provides many valuable tools to help your undergraduate chapter succeed.
