**Chapter Endowments  
GRANT APPLICATION**

The Sigma Tau Gamma Foundation, Inc. offers its members (undergraduate and alumni) the opportunity to make charitable gifts restricted to use for a specific chapter through the Chapter Heritage Funds program. Money in restricted chapter heritage funds may be used for educational programs, including scholarships and leadership education grants. Leadership education grants may support participation Sigma Tau Gamma sponsored programs such as regional conclaves and the Strategic Leadership Conference, or in recognized interfraternal leadership training meetings and courses. Programs approved for support include the regional interfraternity conferences (AFVL, NGLA, & SEIFC) and comprehensive Greek leadership courses (UIFI, LeaderShape, & Futures Quest). Consideration may be given to grant requests for alternative programs. If you are seeking a grant to enroll in a program that is not pre-approved, please submit supportive documentation that informs the Grant Committee about the program sponsor, objectives, curriculum, and faculty.

Grants are made from chapter heritage funds. They may not cumulatively exceed the fund balance. Grant amounts are for reimbursement of registration fees and lodging only. Generally grants will not exceed one half the cost of participation in an approved program. Applications must received no later than 2 weeks following an approved program. No member should assume that his application will be approved or funded. Decisions of the Grant Committee are final. Submit Applications to Sigma Tau Gamma Foundation, Inc., P. O. Box 373, Warrensburg, MO 64093-0373 or by email to jhackler@sigmataugamma.org.
