Create your Crowdrise Site:

1) Go to www.crowdrise.com and create a personal account. To do so, click "Sign up" in the upper right hand corner to get started.

2) Once you've established your login, and are logged in, search for our charity by typing "Sigma Tau Gamma Foundation" in the search box. Once you locate our page, click on it. This will take you to the Foundation's fundraising page. Here you will see the other chapters who are already using Crowdrise to fundraise for Project Leadership.

3) Click "Fundraise for this charity".

4) The next page will show 2 options; "Start a new fundraiser" or "Join an existing team". Click "Start a new fundraiser. "

5) Input your fundraising information, ie. fundraising URL, chapter goal, etc. and follow onto next steps. In the box that asks "About your fundraiser", you are welcome to copy the text from the Alpha Chapter's page and update to personalize to your chapter. You will have an opportunity to upload chapter photos in next steps.

6) Any questions, please contact LeAnn Bylo at leann@sigmataugamma.org
