"I'm really excited about having a new opportunity to grow my skills in an environment that will allow me to be closer to my home and family. My experience as part of the Headquarters Staff has been an incredible experience, and I'm so grateful for all the new friends I've made across the country. I'm very appreciative to **Bill Bernier** for believing in me back in 2011, and giving me this opportunity to give back to the Brotherhood," Kaimann said. "I'm especially grateful to the folks I've had the good fortune of working with and for, especially **Michael Smoll, Addison Schopp, Paul Manly, and Josh Floyd**, who've taught me so much and given me some truly great memories. I'm so proud to have led some terrific men on expansion, including **Jacob Western, Brian Lewallen, and Rick Day**. They all worked so hard to continue making our expansion efforts a success, and I know that I'm leaving the program in highly capable hands. I'm also thankful to CEO **Steve Latour** who has been a terrific mentor and incredibly supportive of my search for new opportunities. Sigma Tau Gamma has such a bright future ahead of it, and I can't wait to see what comes next."
