

Sigma Tau Gamma

FINANCIAL ADVISOR | CHAPTER ADVISORY TEAM

The Financial Advisor will serve as the primary advisor to the Chapter's Vice President of Finance, and will serve under and with the Lead Advisor on the Chapter Advisory Team. In addition, the Financial Advisor will assist in advising the Fundraising Committee and undergraduate members on successful budgeting and fundraising techniques. Candidates should be able to lead by example, showing the Vice President of Finance and undergraduate members what it means to be an excellent member of Sigma Tau Gamma. Candidates should be outgoing, interested in meeting members, and willing to engage others in conversation. Professional financial experience or previous undergraduate experience with finance are plusses, but not required to be successful in this role. Candidates can expect to lead biweekly 30-minute coaching/check-in calls with the Vice President of Finance, and participate in monthly conference calls with the full Chapter Advisory Team. Ideally, the financial advisor should plan to visit campus at least three times per academic semester to attend a chapter meeting, a Fundraising Committee meeting, or to assist the chapter with a fundraising event. The Financial Advisor will report to the Lead Advisor, who will be in regular contact with headquarters staff. Qualified candidates will be appointed by the Lead Advisor to serve a term of two years, alternating with other members of the Chapter Advisory Team.
