Mailing Address (for Fall 2016)

Sigma Tau Gamma Founder and Fourth National President, Dr. Edward H. McCune, authored Our Creed. In it, he memorialized our founding philosophy that all men are social creatures and that the friendships of college men are lasting ones. He defined our social fraternity as dedicated to the highest ideals of manhood and brotherhood; to congeniality, the development of good personal characteristics and social poise; to good scholarship, mature thinking and action; to good citizenship, democratic principles and acceptance of responsibility; and to loyalty and service to college, community, Fraternity and country. McCune was our philosopher-founder, and upon his philosophy, we established the Principles that guide our Fraternity and this awards program.

Strategic Plan

Sigma Tau Gamma's Strategic Plan was crafted by the Board of Directors using the Principles to provide direction to our members, chapters, and leaders. It is attached.

NIC Standards

Sigma Tau Gamma Fraternity, Inc. is a member fraternity of the North-American Interfraternity Conference (NIC). The NIC Standards are the mutual expectations agreed to by all NIC member organizations. Sigma Tau Gamma is fully committed to upholding these standards.

Questions:

How are the awards determined?

Winners are determined by the chapters' scores in a particular area. The Distinguished Chapter Award is total points, whereas the Emmett Ellis Scholarship Award is based only on GPA.

Where do these questions come from?

All questions in Part 1 and Part 2 come from the Fraternity Standards or the NIC Standards. Both set minimum expectations for certain areas of operation..

Questions in Part 3 are set by the Fraternity and may change year to year based on priorities.

Where can I find AR information or membership numbers?

Your chapter should maintain this information. If you do not have it on file, call the Headquarters. Make a note to begin keeping track of the information. Current AR statements are updated monthly on Omega Fi Vault (Sigma Tau Gamma Tab, Billing Statements).
